

Bridgeport JV(BJV) Tournament Rules & Procedures

BJV Tournament follows WVSSAC High School Rules for all tournaments unless otherwise specified below.

1. Time/Game Limit

All tournament games in pool play and playoffs will have a 2 hour 5 minute time limit. Championship game will not have a time limit. The time limit is as follows:

If a new inning has started prior to the time limit, then that inning will finish. No new inning can start after the time limit. Games cannot end in a tie. Umpires will announce the start time right after the coin toss & pregame rules discussion. If when the time limit hits and both teams are tied, we will go to a Texas Shootout. If the game is tied at the end of regulation and time is still remaining, the game will go to extra innings. The last batter to have an official at bat from the previous inning will be placed on second base. The inning will start with 1 out. Each batter will start with a 3-2 count and the inning will be played out. If tied after 1 inning of the Texas shootout, games in pool play will end in a Tie. In Bracket play, after 1 inning of the Texas Shootout, innings will continue under same format until there is a winner. Innings pitched will be counted in the overall totals. Runs allowed in the Texas Shootout portion of the game will be counted as follows: The winning team will be awarded 1 run in the Shootout while the losing team will receive 0 runs. EX.) If the score is 4-4 entering the Texas Shootout and after the Shootout the score is 12-10; the final score will be recorded as 5-4 for Tiebreaker purposes.

Teams should be at field 1 hour prior to designated start time as games will start 15 minutes after completion of prior game.

The game will be considered a complete game after the home team bats in the bottom of the first inning. If a game should be called due to darkness, or weather, and the 1st inning has been completed, the game will restart where it left off.
